JUNE 2011

BALL BOYS AND GIRLS

On 4th June, for our Central League home game against Olympic, our junior team NCR Celtics provided the ball boys and girls.

They were treated to a tour of the club and changing rooms before the match and also had the opportunity to meet some of the Central League players, as well as playing a small sided game at half time on the main pitch. They thoroughly enjoyed themselves and it is pleasing to see that several of them and their parents have come back as spectators for subsequent games. Our next home match is on 26th June against Wairarapa United and for that match NCR Rockets and their parents will be joining us.

BLUE and WHITE DAY

On Sunday 17th July we play local rivals Maycenvale in our first Central League home derby match for many years. The support generated for the guys at the away game in May was unbelievable and we would like to recreate the atmosphere and make even more noise at Park Island. To help you lubricate your tonsils the bar will open from 12 noon. Come along early, get into the swing of things and learn some City Rovers songs ready for the match. We would like to see club members, their families and friends come along and please wear BLUE and WHITE to show your support. It will be a game to remember.

BAR PRICES

**Unfortunately we are having to increase our bar prices.
The changes will come into effect on 2 July 2011.**
